LETTER OF APPRECIATION

Dear Ms. Donna Maria Abou Khalife,

Thank you for all that you bring to International Schooling every day. As we move through an important phase in our journey, we are pleased to share that the school is currently undergoing the NEASC accreditation process, a very important milestone for us.

For the upcoming 3-day virtual NEASC visit, you have been chosen to represent International Schooling, based on the trust we place in your work, professionalism and the way you consistently contribute to the learning environment. You will be the voice of the school in front of the accreditors, sharing your experiences that truly reflect who we are as a school.

We genuinely value your efforts and commitment. As a token of appreciation, we will award you with a Certificate of Appreciation and your contribution during this process will also be considered for shortlisting for participation in the International Schooling Graduation Ceremony, 2026. The school shall bear all your flight and accommodation expenses for the same.

We're grateful to have you with us in this important moment and look forward to moving ahead together.

Gratitude and Blessings,
Team International Schooling

Dr. Rob Leveillee, Ph.D.
Head of School
International Schooling
